14. To the best of my knowledge after diligent inquiry, neither McDonald Carano, any member of McDonald Carano, nor any attorney associated with or employed by McDonald Carano, has any “connection” (as such term is used in Bankruptcy Rule 2014(a)) with the Debtor herein, its creditors, any other party-in-interest herein, its respective attorneys or accountants or other professionals, the U.S. Trustee, or any person employed in the office of the United States Trustee, except to the extent set forth on “**Exhibit 3**”. Notwithstanding any “connection” set forth therein and except as set forth herein, to the best of my knowledge, any “connection” of McDonald Carano to the identified entities are limited to matters unrelated to the Debtor.

15. Moreover, McDonald Carano has a well-known Nevada reorganization and restructuring practice which encompasses the representation of many companies, developers, small businesses, home-builders, gaming institutions, investors, financial institutions and other persons or entities, some of which may become creditors or parties-in-interest, including, without limitation, potential acquirers of the Debtor’s remaining assets in these Chapter 11 Cases. Furthermore, as part of its practice, McDonald Carano appears in cases, proceedings, and transactions involving numerous attorneys, accountants, and financial advisors, some of which may represent the Debtor, creditors, or parties-in-interest, or themselves be creditors or parties-in-interest in these Chapter 11 Cases. 18. I believe that McDonald Carano is disinterested, as that term is defined in section 101(14) of the Bankruptcy Code, and it does not hold or represent an interest adverse to the Debtor’s estates with respect to the matters for which McDonald Carano is to be employed, as required by

1 Bankruptcy Code Section 328(c). I can make the following representations:

- 2 a. To the best of my knowledge, McDonald Carano and its attorneys are  
3 disinterested within the meaning of section 101(14) of the Bankruptcy Code  
4 and do not have an adverse interest pursuant to section 1103(b) of the  
5 Bankruptcy Code because none of them are creditors, equity security holders,  
6 or insiders of any Debtor; none of them are, or were within the two-year  
7 period preceding the Petition Date, a director, officer or employee of any  
8 Debtor; and none of them have an interest materially adverse to the interests  
9 of the estates or any class of creditors or equity security holders by reason of  
10 any direct or indirect relationship to, connection with, or interest in any  
11 Debtor or for any other reason; and
- 12 b. To the best of my knowledge, other than as set forth in “**Exhibit 3**” based  
13 upon the Debtor’s disclosure of its directors, officers, shareholders, creditors,  
14 and other parties-in-interest, neither McDonald Carano, nor any of its  
15 attorneys, have any present or prior connection with the Debtors, the Debtors’  
16 creditors, other parties-in-interest, or their respective attorneys and  
17 accountants, the United States Trustee, or any persons employed in the Office
